

# Infectious Disease Laboratory Addition

Herrick Archives Building 234

## A. IDENTIFICATION & LOCATION

### 1. Name

1.1 Never officially named by Board of Trustees action.

1.2 Alternate names noted:

Monkey Building

See Addenda Nos. 1,2,3,4

### 2. Location

2.1 Located at 1292 Kinnear Road. See map below.

2.2 For greater detail, see Sheet 88 in the book of campus maps in the University Archives.

For identification of other buildings shown, see Appendix A.

### 3. General Description

3.1 Type of construction:

Concrete block.

3.2 No. of stories:

One.

### 3.3 Increments of construction:

No additions. As the name indicates, this building is considered as an addition to Building 231, although it is a separate structure.

### 3.4 Present area of building as shown in inventory records of Division of Campus Planning:

450 square feet gross; 385 square feet net assignable

## B. PLANNING & CONSTRUCTION

This project did not follow normal University procedures. Sketches were prepared by Doctors Saslaw and Carlisle, and the project was turned over to the University Architect for action. The limited records available indicate that construction was done during May 1965.

The University Architect on July 22, 1965 reported the building completed and ready for occupancy and the space was assigned to the College of Medicine on the same date (P).

## C. PHOTOGRAPHS
